Nita Taylor, individually;

vs.

Target Corporation; and DOES 1 through 100; and

Defendants.

CASE NO.: [2:17-cv-02291-JCM-VCF](#)

**STIPULATION FOR EXTENSION OF  
DISCOVERY DEADLINES (Second  
Request)**

The above named parties, by and through their respective counsel of record, hereby submit the following STIPULATION FOR EXTENSION OF DISCOVERY DEADLINES (Second Request).

**A. DISCOVERY COMPLETED TO DATE**

This matter involves a slip and fall at one of Defendant's stores. On September 29, 2017, the parties held an initial Rule 26(f) Conference. Defendant served its initial disclosure of witnesses and documents on September 28, 2017. Plaintiff served her initial disclosure of witnesses and documents on September 29, 2017. On October 12, 2017, the Court entered a Stipulated Discovery Plan/Scheduling Order. On December 12, 2017, the Court entered an order granting the parties first request to extend the discovery deadlines.

On October 17, 2017, Defendant propounded a First Set of Interrogatories and First Set of Requests for Production of Documents upon Plaintiff. Plaintiff served her responses to the Interrogatories on November 15, 2017 and responses to the Requests for Production of Documents on November 22, 2017. On October 12, 2017, Plaintiff propounded a First Set of Interrogatories and First Set of Requests for Production of Documents upon Defendant. Defendant served its responses to those written discovery requests on January 4, 2018.

1 Defendant has requested Plaintiff's medical records and films directly from her medical  
2 providers through records authorizations provided by Plaintiff.

3 **B. DISCOVERY THAT REMAINS TO BE COMPLETED**

4 Defendant is still obtaining Plaintiff's medical records through authorizations provided by  
5 Plaintiff. Defendant needs to conduct the deposition of Plaintiff and at least three of Plaintiff's  
6 treating healthcare providers once Defendant has received Plaintiff's medical records directly from  
7 the providers. Plaintiff continues to experience symptoms she attributes to the subject incident and  
8 anticipates requiring future treatment so Defendant may seek to have Plaintiff appear for a Rule 35  
9 Examination.

10 Plaintiff anticipates conducting the depositions of Defendant's employees. The parties also  
11 anticipate designating expert witnesses and conducting the depositions of any designated expert  
12 witnesses.

13 **C. REASONS WHY DISCOVERY HAS NOT BEEN COMPLETED**

14 Defendant is still in the process of obtaining Plaintiff's medical records and films. Defendant  
15 needs to obtain those records before conducting the depositions of Plaintiff and her treating  
16 healthcare providers. Defendant also needs to obtain those records and films to provide to  
17 Defendant's medical expert.

18 The parties have agreed to conduct a mediation in this matter before engaging in extensive  
19 discovery, including the disclosure of expert witnesses. The first mutually agreeable date on which  
20 the parties could schedule mediation is April 10, 2018, which is after the current deadline to disclose  
21 expert witnesses. Accordingly, the parties request a sixty day extension of the current discovery  
22 deadlines.
